Support SEI

At SEI, we strive to inspire increased equity and achievement with research and evidence. We help drive continuous improvement to increase student success from cradle to career and strengthen our capacity to advance the mission.

Our annual Their Success is Our Success dinner gives us an opportunity to share our annual community that will highlight the progress we made in the 2023-24 school year. This year, we will also be sharing our new strategic plan that will guide our work for the next several years.

We will welcome more than 200 community members, educators, stakeholders and partners to this event that celebrates our successful partnerships and accomplishments. Together, we are making a difference in education in Summit County.

The following sponsorship options are available. If you are interested in customized sponsorship levels, please contact David James at DJames@SEIsummit.org.
