

Kindergarten Readiness and 3rd Grade Reading in Summit County

ANALYSIS OF STATE TEST SCORES BY
DEMOGRAPHICS IN THE 2023-2024
ACADEMIC YEAR

AUGUST 2024

Overall Summary of Findings

Demographic trends present in 2023-2024 KRA & 3GR:

- Females averaged sig. higher than Males
- Students of color averaged sig. lower than white students
- ECDIS students averaged sig. lower than non-ECDIS students

Differences between demographic comparisons

- Gender < Minority < ECDIS

Educational disparities begin early and show evidence of persisting due to unchanging systemic inequities affecting Summit County Youth

KRA Overview

KRA is required for all 1st time kindergartners attending public school

Must be administered no later than 20th day of instruction

Measures 4 early learning areas as well as an Overall score (OISR):

- Language and Literacy (LL)
- Mathematics (M)
- Physical Well-Being and Development (PD)
- Social Foundations (SF)

Scaled scores range from 202-298

The scales for the KRA domains are not equivalent; therefore, it would be inappropriate to compare the individual outcomes to one another

Overall and Language and Literacy scores have score cut off/categories:

3GR Overview

Ohio's 3rd Grade Reading Guarantee is a program that identifies and provides support to students between Kindergarten and 3rd grade to reach proficiency by the end of 3rd grade

Students tested twice in the Fall and Spring

Scaled Score cut offs/categories:

- 545-671 ---> 'Limited'
- 672-699 ---> 'Basic'
- 700-724 ---> 'Proficient'
- 725-751 ---> 'Accelerated'
- 752-863 ---> 'Advanced'

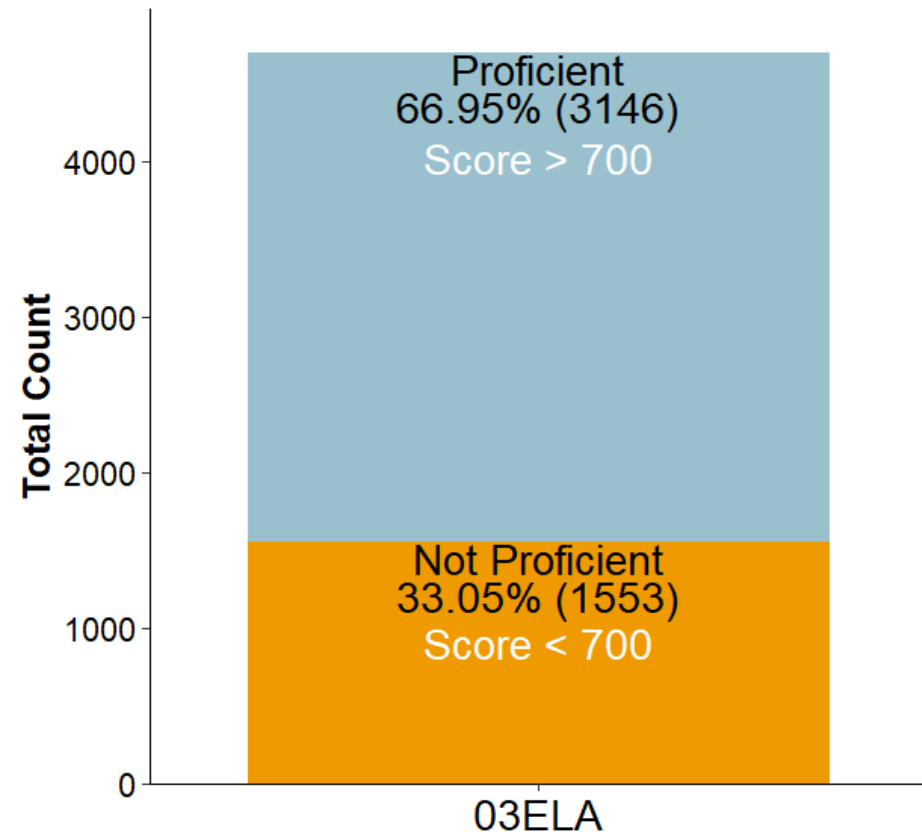

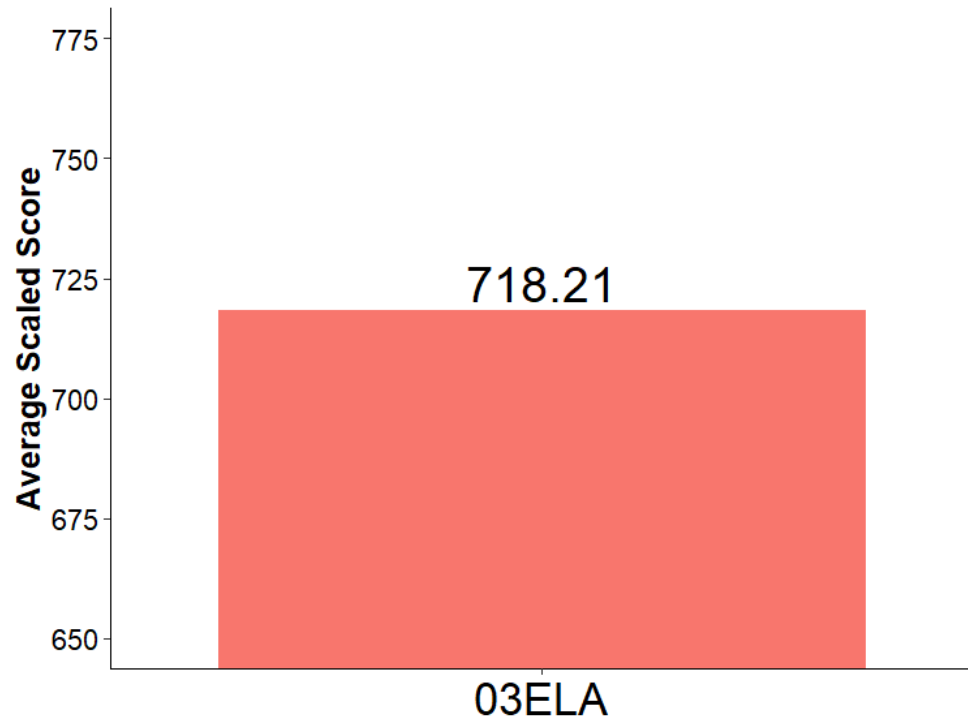

SEI uses ODE's minimum 'passing' score range of 'Proficient' as the cut off category when reporting

ODE considers 'Basic' the cut off category for promotion to 4th grade

ODE considers 'Accelerated' the cut off category for being on track for college and career readiness
